**Seneschal Report:** Thanks to Michael for standing in as deputy seneschal over the last month or so. Please feel free to write to the crown if you can't meet them. Display at Chisholm High School on Saturday at 11.00am. Feast of the 4 winds is on 14th November at Weston Creek. Town Archer and Combat archery this weekend. Hobby Horse Crusade on the 29th Nov. **Promises:** 4th issue this year at Hobby Horse crusade. Always looking for more articles.

**Chirurgion:** Thumb injury caused by a fighter being clumsy with their armour. Trial with single water bottle per fighter. Meeting at Graemes on Wednesday about it. Have had contact with Raiders and NSW Footy League about it.

**Herald:** Not all that much activity. Lady Morag did field heraldry at the tourney.

**Lists:** see report else where in Griffintayle. Minor change is that Kurgan one and Hugh was second.

**Arts and Sciences** Not lots in last month. Banner project starting on Saturday. Also costuming.

**Griffintayle:** As promised it is available here and now. Those not picked up at the shire meeting will be mailed.

**Archery:** OK. Jim Bradman is running an armouring workshop near Goulbourne soon.

**Hospitaller:** It is now all at the Winter Palace. We need 2 more chests to store things in.

If anyone would like a copy of the draft rules please contact me.

**General Business:** Norman: A high school may want us to do something for an assignment.

**Phillip:** Phil and Phil Rowany fund for truck hire and other things is still happening. There is a receipt book here. If you are interested please contact me on ph 254 3059. What do people think about a shire garrison. The idea is that it is purely voluntary. At a war or other event shire fighters who are not already committed to another force may fight under the shire banner while wearing shire tabards. Could help practise at the combat archery practise.

**Robert:** 21-22 November there is the Queanbeyan parade were I'll be in hose on horseback. Any others who would like to participate please contact me.

**Libby:** I will be running a soup kitchen at Rowany Festival with one vegi and one meat soup. If you want to help please contact me, ie wash dishes for the five days and I will feed you for the those five days. I will run a food fund if people are interested.  
We should run a fund raiser each year to help support the principality administration. The recent Archery Kingdom problem caused large cost for the SCA administrators who were involved. The meeting decided to give a cheque for \$70 to the Prince and Princess at the event on Saturday in Rowany to start a fund for Lochac officers expenses.

**Sandra** SCA event at Cancon will be run by Libby and Robert.  
Music books.

Meeting closed at 9.10pm.

## Crossroads Medieval Buyers guide

Having trouble finding left handed brass tippets? Where can blue ostrich feathers be found? What is the cheapest source of metal in this area? The Crossroads medieval buyers guide is designed to help all medievalists find the places that sell the items we need. And at the lowest cost. But in order to do this we need your help. Please tell us where easy or hard to find items may be found. Send any information to Crossroads Medieval Co-operative Ltd at PO Box 24, Woden, 2606 or phone Crossroads on (06) 290 1492.

## Rowany Festival News

The next site prep is on the weekend of 12/13th of December. People working at the site prep camp overnight on the Saturday night and a Pot luck dinner happens. The site prep steward is Edric de Forte (Tim Abbott) who may be contacted on (02) 894 5117 or write to PO Box S58, Homebush South, 2140.

Unto the populace of Politarchopolis does your Seneschal send greetings, and best wishes for this festive season.

I am told by those who attended the various events held during their Majesties' visit that a good time was had by all, and that their Majesties were pleased to hear the various opinions held by their populace on the matters of archery and fencing rules, and on Kingdom status for Lochac. It is important that we in Lochac continue to discuss all the matters surrounding the Kingdom debate, and work towards that time in the future when we become a Kingdom. However, it is vitally important that we do not let the debate divide us into warring factions. So, do not let your opinion on the Kingdom question stop you working with and talking to other members of the Society. Remember, we are all in this to enjoy ourselves!

The Lord and Lady of Lochac, John and Gabrielle, have advised me that they will be visiting Politarchopolis during their reign - on the 19th and 20th of February. We will be having a get together on the Friday night, and an event on the Saturday. So, reserve these dates in your diary now. If you feel that there are those within the Shire deserving of reward, then you should ensure your letter of recommendation reaches either Aylwin and Ingerith, or John and Gabrielle, before February.

The last two Shire feasts have been very enjoyable by all accounts. As is usual, there was far too much food at both the Shepherd's Feast, and the Feast of the Four Winds. My thanks to all involved in these events, particularly Lady Isadora d'Este, Bastion der Grosse, and Eric the Fruit Bat. If there is anybody out there who wishes to run events next year the schedule so far is as follows:

January: Cancon Newcomers' Feast (Catered; steward Lord Jean Claude de la Rive Gauche)

February: Scarlet Women's Valentines Feast (Catered) and Tourney (possibly held in conjunction with the visit from the Prince and Princess)

March: St Aldhelm's Newcomers' Feast (Catered; steward Lady Myfanwey McNicolle) and A&S Collegia

April: Rowany Festival

October: Childrens' event

November: Feast of the Four Winds (Catered; stewards House Smithfield)

My opinion is we need some events other than catered feasts, and I would be very interested to hear from any potential event stewards with their ideas. Remember, to run an event you must be a paid up Society member.

I look forward to seeing many of you at the Twilight Tourney. To those travelling to Twelfth Night, a safe journey and a speedy return. I remain yours in service to Shire and Principality

### The Second Annual Medieval Day

at cranleigh special school

Upon the second day of May in the year of our Lord 1993 there will be a grand day of medieval activity for the purpose of recreating the days of yore when knights roamed the land, dragons were real and minstrels were common about the village green.

There will be displays of medieval arts and crafts along with many battles and other activities. Some of the activities planned include

Nut War, The Noble fighters that chose to use rattan weapons will battle upon the green with the intent of crushing each others nuts.

A wrestling competition where it may be that some fighters of both the SCA and Steel Weapons shall compete.

The Vegetable Shoot, Where archers will shoot at various sized vegetables from one position points will be allocated by the difficulty of the vegetables size and location. Bare bow, wooden shafts field or target points.

A series of steel weapons combats and other such related jollies

Minstrels and other medievalists are welcome to attend crafts people especially welcome.

The purpose of the day is to have a good time, raise the public profile of the Medieval movement, assist in raising funds for Cranleigh Special School and show to the medieval movement and other related groups what crossroads is about.

To encourage medievalists to attend the day several events are being planned for the day before, including a banquet the night before.

For further information please contact the organiser Jim Bradman either through the Crossroads post box Po 24 Woden 2606 or ring me on 06 288 3163. I will be interstate during December so there is little point in ringing me before the new year.

## CROSSROADS MEDIEVAL VILLAGE CO-OP LTD

Crossroads will be running a set of weekends one in January and one in February these weekend will be for making plate armour the basic idea being that the participants attend both weekends. The venue is yet to be decided but it is possible that it will be in the Goulbourn / Braidwood areas the actual weekends to be decided but probably the 16/17 Jan and the 6/7 Feb Numbers will be restricted to 10 novices that is people with little or no experience in plate construction plus others. Several armourers will be at the weekends to assist with practical advice but it is the responsibility of each person to make their own plate. Only serious people willing to work hard need apply. It is planed that the Saturday will start at 9 am and stop at 7pm (lunch will be allowed if you eat fast) Sunday will start at 9am and stop at 5 pm, as stated before the idea is to work really hard and get a lot of plate done.

Hangers on are not welcome.

If you are interested apply in writing to the armouring weekends C/- Crossroads po Box 24 Woden Act 2606 it is assumed that the participants should have some idea of what they want to produce and will have basic plans worked out before the start of the weekends. Note this is not Steel or Wooden weapons specific it is about making reasonably presentable plate.

Also it is about getting a group of people to get together to work communally so if you are not busy with your own gear then you are expected to help others. The weekends will be coordinated by Jim Bradman he can be reached on 06 288 3163 but won't be on that number for December.
