Polit goes to Festival 2024

The time is coming when our thoughts and plans turn to attending the Rowany Festival.

Wednesday April 17th to Monday April 22nd

From His Excellency Master Crispin Sexi via Facebook

Greetings Politarchopolis, harken to some news regarding the upcoming Rowany Festival! After consultation with His Excellency, I wish to announce that I shall be Politarchopolis campsite warden and I will also be organising the food fund.

Food Fund pricing per person:

- * Sunday set up day dinner until the final Tuesday breakfast: \$156
- * Monday pre-event dinner until the final Tuesday breakfast: \$138
- * Tuesday dinner to the final Tuesday breakfast: \$120
- * Thursday dinner to Monday lunch: \$80
- * Individual meals: \$7
- * Children eat for half price.

Message me to sign up to the food fund.

Every adult in the food fund will need to work one or two full meal shifts throughout the event (depending on how much of the event they'll be there for). This involves preparing the food, serving it and cleaning up afterwards. Approximately 2 hours per shift.

IF YOU DON'T WANT TO BE IN THE FOOD FUND, you can still camp in the Politarchopolis campsite, that's totally alright. Make sure to select "Politarchopolis" when booking your tickets to the event. You'll just need to sort out your own food or avail yourself of the catering at the great hall.

Festival Workshops

For the next few months throughout the Sunday Activities at the Ainslie Hall there will be a number of workshops and activities to help the populace prepare for Rowany Festival 2024.

Please keep an eye out on the calendar and social media for what workshops and activities will be running.

Please Note

The hall will still be available for the normal Sunday activities and practices

Baronial Awards and Scrolls

The receiving of awards and scrolls is a wonderful occasion. To help celebrate this we would like to include details of these awards and photos of those who have received them.

With more in-person events happening around the Kingdom and within the Barony these should be celebrated.

Please let us know who within the Barony has received any awards at events either locally or outside of our boundaries and we will let all know of their achievements.

Image from the College of Scribes Website

The Scribal Arts are one of the many crafts that are practiced within the Kingdom and Society.

The time and dedication that is put into each and every scroll is often a wonder to behold. Help us to celebrate the works of

these artists and those who receive these magnificent scrolls.

Send us pictures of scrolls that you have received and we will proudly display them for all to see.

Please send these to chronicler@politarchopolis.lochac.sca.org, include your name, what the scroll was for and when received. Also please include who the illuminator and calligrapher were. This way we can ensure all those whose work has gone into your scroll are recognized for their labours.

Baronial Hall Fees

The Ainslie Hall is an important part of life in Politarchopolis. Our weekly activities are where we can teach, practice, learn and show off our skills to all those within the Kingdom. It is a place for all to come together and enjoy the game we play. It is also where the Barony stores much of the equipment and Garb that we use to make our events something to remember.

To be able to continue using this space we have to ensure that we can afford to make the best of our time there. To do this the Barony put together a fee structure that allows all members and non-members access to the hall.

Have you ever wondered what the officers do?

Have you ever wanted to take on an office, but not sure how to go about it?

There are many ways that one can contribute to the running of a group, be it Kingdom, Barony, Shire, Canton or College.

Feel free to contact the office you are interested in to find out more about what is involved. You may feel that you are not ready or confident enough to take on an officer role, but you could consider becoming a Deputy (it is not always that a Deputy is expected to step up to the Officer role at the end of the incumbent's tenure) and learning more. Deputies also make the officer's role easier, as they can delegate tasks. You will see that many of the Kingdom Offices have Deputies that perform certain roles within the office, allowing others to concentrate on their roles and responsibilities.

Remember we are all here to have fun and make this game enjoyable.

Please reach out to your local Officers or Seneschal for more information.

The Barony of Politarchopolis

is a community group in Canberra and the surrounding region devoted to learning medieval skills and enjoying medieval pastimes. We don't just read about history, we live it!

Fighting, feasting, costuming, crafting, music, dance... if it was done in pre-17th century Europe, we know someone interested in recreating it.

And not just in the ACT! We're part of a global organisation called the [Society for Creative Anachronism](#) (the SCA), and we're one of 42 local groups in the Australia/New Zealand chapter: the [Kingdom of Lochac](#).
